

Don't Get Bitter, Get Better

Hebrews 12:14-15

Introduction

- Of all the human emotions, the one that I personally and actually fear the most is bitterness. Bitterness is an emotional cancer that will eat you up from the inside out. It is a blight that will contaminate you. It is a burden that will crush you. It is a blaze that will cook you in its own juice.
- Bitterness is like a malignant tumor that will ultimately turn a healthy body into a cold corpse if it is not removed and the sooner the better.
