

# A Song for Tomorrow

## Psalm 1

### Introduction

- This psalm tells us how to approach tomorrow. How to make sure if indeed we do live to see another day, we can ensure that tomorrow can be successful.
- Anyone knows that real success always means being prepared for tomorrow. You don't focus on tomorrow, because tomorrow may not come. If tomorrow does come, you should be ready to make tomorrow the greatest today of your life. The psalmist tells us exactly how to do that.

### Discussion

#### ◇ Stay Away From Bad Company

- Psalm 1:1

#### ◇ Study God's Word

- Psalm 1:2

#### ◇ Stand For What Is Right

- Psalm 1:3

### Conclusion

- If there is anyone here today who maybe has everything money can buy, but you don't have the one and most important thing money can not buy which is a relationship to God, a home in heaven and a purpose to live that will outlast you, this song is for you.
