

Stop Stealing

Exodus 20:15

Introduction

- Most of us don't think we have a problem with stealing and we don't steal in the armed robbery or burglar sense. But is that all that is meant by stealing?
- Maybe we're not so innocent after all. One of the biggest things in the Christian life should be integrity. The world is watching

Conclusion

- The Bible says, "Let him who stole steal no more." (Eph.4:28) Then it says, "and do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption" (V.30). We need to walk in integrity.
Perhaps you need to recommit yourself to God today. Or, give your life to Jesus. The Bible says, "times of refreshing will come" when you get honest with God.
