

Heaven One Way and One Way Only

John 14:1-6

Introduction

- As we continue our series on the "War of the Worlds" which we have explained as being the war of the world views, the biblical world view, which holds that there is one way and one way only to heaven, means the following must be true.

Discussion

◇ I Cannot Rely on Religion to get me to Heaven

- John 14:1-6

◇ I Cannot Rely on Righteousness to get me to Heaven

- Proverbs 14:12

◇ I Must Rely on a Relationship to get me to Heaven

- John 14:6

Conclusion

- There is only one person that can save your soul. When you exit this life, at the moment you die, you will enter into eternity. If you intend to go to heaven, you had better make sure you take the one way, which is the only way and His name is Jesus Christ.
